Wednesday June 24, 2015

Deep River Town Hall

Auditorium

174 Main St

Deep River, CT

10:00AM

Parking is located next door at

Walgreens Pharmacy.

Tourism-Passenger-Freight Rail Economic and Structural Feasibility and Impacts Study

Please join us as HDR Engineering, Inc. presents the findings on the economic viability of various future uses of the Valley Railroad Corridor to the Council of Governments.

HDR will answer questions from the public after the presentation.

PLEASE NOTE: There are no plans or funding for construction on the Valley Railroad State Park. Valley Railroad State Park is owned by CTDEEP. The Valley Railroad Company holds a long term lease on the property. This study is part of a series of RiverCOG investigative research studies in 2015 that will collect data on the cost-benefit and feasibility of scenarios which concern the CT Valley Railroad State Park. Please visit the RiverCOG website at www.rivercog.org for future updates.

Special Needs

RiverMPO meetings occur regularly on the fourth Wednesday of each month at 9:00 a.m. Closed audio loops and/or a sign language interpreter will be made available upon request; the former upon two week notice and the latter, secured via the Connecticut Commission on the Deaf and Hearing Impaired, with a minimum of three week notice. Foreign language translation is provided upon request with two week notice for translation of minutes or meeting attendance.
