## Public Notice

**FY 2022-2023 Unified Planning Work Program (UPWP) as Amended**

**June 28, 2022**

The Lower Connecticut River Valley Council of Governments (RiverCOG) has initiated a thirty-day public comment period for the 2022-2023 UPWP as amended. The UPWP is the transportation planning program that identifies tasks initiated by RiverCOG for the period between July 1, 2021 through June 30, 2023. It includes descriptions of planning tasks and products, identifies who will perform the tasks, a schedule for completing the tasks, and the cost of work and source of funds to maintain a federally compliant metropolitan planning organization (MPO) transportation planning process for the Lower CT River Valley Region.

This comment period provides the public an opportunity to comment on the 2022-2023 UPWP as amended through July 30, 2022. The RiverMPO public meeting for the UPWP as amended will occur concurrently with the regularly scheduled MPO meeting on Wednesday, July 27, 2022 at 9:00 am.

The 2022-2023 UPWP as amended and link to the virtual meeting can be viewed on RiverCOG's website at: <http://www.rivercog.org>. For additional information please contact [rharamut@rivercog.org](mailto:rharamut@rivercog.org) or call 860/581-8554.
